

THE LODGE OF FOUR SEASONS

8-INCH CUP TOURNAMENT

Ready For Some Fun?

Have you ever missed a putt by just a fraction of an inch and wished the cup were just a bit bigger? This tournament makes your wish come true! We make the golf hole nearly twice the regulation size by putting 8-inch cups on all 18 greens.

Everyone is invited to play; Lodge of Four Seasons Member or Non-members. The field will be broken into flights so all teams have a chance of winning.

Combine the oversize cups with a 3-person scramble format and you're sure to have some fun. The Lake has never seen an event like this before. Make sure to sign your team up today to be part of the first ever 8-Inch Cup Tournament at the Lake.
